“ I will miss you so much uncle Leroy. So grateful for spending that day talking for hours and the talks make perfect sense now. It was a privilege to spend that week with y'all. So many amazing memories from childhood and up. My summer dad at that and so appreciative of all the years as your “daughter” y'all never had and for my bro's Travis and Joe. Give Heather and Joe hugs from all of us. It was a blessing to have you as my uncle, slur competition opponent, and most of all a good friend. You were a good family man with a heart of gold. Anyone who made assumptions or never got to know you will surely regret not taking that opportunity to chat w a great man. I'll be right by Kimmy and Travis always and I love you You were crazy about Kim who was the love of your life and light in your eyes. Travis and Joe were blessed w a good dad, friend, and debater and well me too. You will be greatly missed and never forgotten nor disrespected. □
